SERVICE GUIDE

Mission

The management of services within the Facility is aimed at ensuring Patients a standard of excellence with top quality services within 24 hours.

The commitment is to respond promptly and concretely to user requests with an offer of high-level, specialist services. The following aspects will be given particular attention:

- ❖ Accuracy of the services provided;
- ❖ Attention to human relationships;
- ❖ Tranquility and comfort of the premises in which the service is provided;
- ❖ Timeliness in responding to requests.

The care path of a user with disabilities passes through a complex set of activities and interventions, provided in an integrated multidisciplinary way and in different care regimes.

The Services

All services that contribute to maintaining the guests' residual abilities or recovering autonomy in relation to their pathology in order to achieve and maintain the best possible level of quality of life are guaranteed.

In particular in the R.S.A. are provided:

- ❖ general medical, specialist and pharmaceutical services, paid by the S.S.R., under the conditions and methods provided for the generality of citizens, also through district and company services;
- ❖ nursing services;
- ❖ rehabilitation services;
- ❖ dietary advice and monitoring;
- ❖ personal help and guardianship assistance services;
- ❖ prosthetic, complete dental and podiatry services under the conditions and in the manner envisaged for the generality of citizens;
- ❖ hotel-type services including accommodation, food and general services related to the particular conditions of the guests;
- ❖ entertainment, employment and recreational activities for integration and connection with the family and social environment of origin;
- ❖ transport and accompaniment and possible assistance for the use of health services outside the R.S.A.;
- ❖ personal care services (barber, hairdresser and similar) at the request of the guests and at their own expense;
- ❖ religious and spiritual assistance by encouraging the presence of different religious assistants depending on the confession of the guests.
